## **ABOUT REIGN WORLDWIDE, INC.**

**REIGN Worldwide (REIGN)** is a comprehensive Kingdom minded organization whose purpose it is to:

1. Impact the world with the revelation of God's Kingdom in the earth.
2. Educate the Body of Christ and society at large on the concepts, laws, principles and truths that govern the operation of the Kingdom and how these concepts, laws, principles and truths were given by God as a provision to empower man to *have dominion* in on earth and prosper in their assigned area(s) of life.
3. Empower people through the transformation of their minds concerning their purpose, expectations, identity and the church from a Kingdom Conscious perspective.
4. Establish a Kingdom conscious culture in businesses, churches and our communities around the world.

In summary, REIGN is a comprehensive family of Kingdom focused, teaching and training organizations committed to the empowerment and transformation of people's lives and minds through the revelation of God's Kingdom. We believe that REIGN is an end-time instrument called by God to assist in the fulfillment of Matthew 24:14.

## **MISSION**

REIGN's mission is to empower people through instruction in God's Kingdom and the establishment of a Kingdom conscious culture which permeates and influences the businesses, churches and communities in which we live. REIGN is to seed the world with the culture, influence and message of the Kingdom

## **GOAL:**

REIGN's goal is to be the world's premier and preferred source for instruction and resources concerning the Kingdom.

## **BUSINESS PHILOSOPHY:**

REIGN's business philosophy is to engage individuals, organizations and governments with excellence, integrity, simplicity and understanding.

Because REIGN is not a "religious organization" it will be able to reach people groups, governments and organizations that traditional religious organizations and institutions cannot, due to the host nation's culture or hostility toward Christianity and other religions. This is possible due to REIGN not being a "religious" organization but one dedicated to advancing the Kingdom of God. REIGN understands that the Bible's truth was not given to establish a religion but to illuminate and reveal God's mind and His plan to restore mankind unto Himself and man to his original position in the earth. Once the truth of God's word is sown into the

hearts and minds of a man it will naturally draw the individual to a relationship with its King and Author. REIGN's mode of operation consists of is to seed the world with the culture, influence and message of the Kingdom by:

- Introduction
- Edification
- Transformation and
- Incorporation

This process allows the Kingdom's influence to grow within the host organizations and people by building it up from the inside out with the presence of God's order and truth, without offending or disrupting its current infrastructure.

The Kingdom is *not* a religious institution and therefore uniquely suited to engage and incorporate within both secular and non-secular entities its concepts, laws, principles and truths, which are all, based on the enduring Word of God.

Because the Kingdom is God's ordained system for living founded upon the wisdom of God, and not a religious institution, its concepts, laws, principles and truths are readily transferable into other systems, industries and relationships of life. REIGN will establish relationships with church, government, community and business leadership instructing them in the concepts, laws, principles and truths of the Kingdom, for the purpose of developing a Kingdom consciousness and culture which will impact these organization's constituents and ultimately their nations!

### **THE NECESSITY OF REIGN**

A review of scripture reveals that the Gospels and Jesus' primary message and ministry focus was the Kingdom. Specifically:

- First public message – Repent for the Kingdom of Heaven is at hand (Mat. 4:17).
- Instructed His disciples to preach the Kingdom (Luke 9:1-2).
- Instructed His followers to preach the Kingdom (Luke 10:1-9).
- Our Prayer should be for the Kingdom to be manifested in the earth (Mat. 6:9-13).
- Our Primary Pursuit in life should be the Kingdom (Mat. 6:33).
- His purpose for coming is the Kingdom (Luke 4:43, John 18:37).
- The Kingdom is the authorized message that we are commanded to teach (Mat. 24:14)
- The Message He personally spent 40 days teaching the churches leadership after He rose from the dead (Acts 1:3).

The message of the Kingdom is the message (or Gospel) of Christ. The Kingdom's message is unique in that it is a provision from God to empower man to maximize life and overcome the consequences of the fall and curse. Traditional religious institutions have predominately taught

the Gospel of Salvation to the exclusion of the Gospel of the Kingdom. This has led to a loss of purpose and a feeling of impotence in the life of the believer. However, the message of the Kingdom is one of dominion, identity, personal empowerment and purpose.

The Gospel of the Kingdom is the end time clarion call of God in these final hours in preparation for the transfer of wealth from the wicked to the righteous. Jesus personally taught that the Kingdom message was the answer to lack and insufficiency. See Luke 6:20, Matthew 11:5, Luke 4:18.

Clearly, as demonstrated from the above, Jesus saw His message and ministry as impacting more than our spirit and soul, but the standard of living we experience in the here and now on earth. According to Matthew 24:14, *this* Gospel or “good news” *must* be communicated to the entire world, as a witness and testimony, before He can come.

## **ABOUT J.C.**

REIGN is the result of an assignment given to Dr. J.C. Matthews by God to impact the world, from the least to the greatest, with the reality and significance of the Kingdom in every day life.

Dr. Matthews is the founder of J.C. Matthews Ministries, Blessed Books Publishing Company, REIGN Worldwide Inc, the International Kingdom Institute and the Word of Power International Fellowship of Churches. J.C. also hosts with his wife Gena, the Kingdom teaching television program entitled “Living Life Powerfully”.

Dr. Matthews possess a Bachelor of Arts degree in Political Science, as well as a Juris Doctorate (J.D.) degree. J.C. is also the recipient of an Honorary Doctorate of Divinity (D.Div) for his work, writings and study of the Kingdom of God.

J.C. was twice recognized for the outstanding study of law by the "Who's Who Among American Law Students" and awarded this distinction for the years 1996 and 1997. He was honored as an Urban All-American by the General Assembly of the Ohio State Senate.

Dr. Matthews has worked in a management capacity for some of America's top corporations. Prior to entering into full time ministry, Dr. Matthews quickly climbed through the ranks of management at a Fortune 100 Company, from the position of Assistant Manager to that of Director in less than 3 years. During this same time period Dr. Matthews had embraced his assignment to teach and live the Kingdom. Dr. Matthews realized that the Kingdom must be demonstrated, and not only taught. Therefore, after much prayer and fasting, he resigned from

his job and declared God as his Source. As a result, this step of faith has provided Dr. Matthews with both a biblical and experiential understanding of the Kingdom operation in the earth.

In addition, Dr. Matthews' unique blend of corporate, legal and ministerial training has given him great insight and understanding of the covenants, concepts, laws and principles of the Bible and the Kingdom enabling him to effectively, and with clarity, communicate the truth of God's word in a profoundly simplistic and impactful manner.

### **Unique Quality**

Dr. Matthews brings a unique and necessary revelation of the Kingdom to the body of Christ that goes to its origin. His legal training allows him to identify and articulate truths, concerning Kingdom living and its operation, that cannot be discerned without the benefit of this insight. Having a legal perspective of the Bible and the Kingdom enables Dr. Matthews to not only articulate *"what"* the Kingdom is but *"how"* it operates and how it impacts the life of the believer. Having an understanding of the legal foundation and laws that governs the operation of the Kingdom provides the believer with the confidence necessary to live life according to a system that is diametrically opposed to the world's system. Without this understanding believers lack the confidence necessary for the Kingdom to manifest in their lives.

*'And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.'*

*Matthew 24:13*

In Him,

Dr. J.C. Matthews
